# TOWN WARRANT

## THE STATE OF NEW HAMPSHIRE

---

**To the Inhabitants of the Town of Peterborough in the County of Hillsborough, in said State qualified to vote in Town Affairs:**

You are hereby notified to meet at the Town House in said Town on Tuesday, the tenth of March next, at eight-thirty of the clock in the forenoon, (Polls close at 1 P. M. unless otherwise voted) to act upon the following subjects:

Article 1. To choose all necessary Town Officers for the year ensuing, and to vote to see if beano shall be legalized in said Town.

Article 2. To raise and appropriate such sums of money as may be necessary for the maintenance of the poor, for laying out and repairing of the highways, the Fire Department, the Police Department, Public Library, Memorial Day, Adams Playground and Peterborough Pool, Gypsy Moths or White Pine Blister, Town History Committee, Community Christmas Tree, Monadnock Region Association, Town Planning Board, Peterborough Band, Water Department, and for any other charges arising within the Town.

Article 3. To see what sums of money the Town will vote to raise and appropriate toward paying the Town debt and interest.

Article 4. To hear the reports of Agents, Auditors and Committees or Officers heretofore chosen, and to pass any vote relating thereto.

Article 5. To see if the Town will vote to accept legacies and gifts given to the Town in trust or otherwise by any individual or individuals.

Article 6. To see if the Town will vote to have the Moderator appoint a committee of not more than five members composed of at least one member of the Board of Selectmen, one member of the Planning Board, one member of the Budget Committee and two other members, to investigate advisability of the Town

having a superintendent of public works and make recommendations relating thereto to the town at the next annual meeting of the town.

Article 7. To see what sum of money the Town will vote to raise and appropriate for an additional water supply. Such sums to be raised through the issuance of serial bonds or notes under, and in accordance with, the Municipal Bond Statute and amendments thereto, and to authorize the Selectmen to issue and negotiate such notes, and to determine the time and place of payment thereof under such terms as they may deem to be in the best interests of the Town, or take any other action relating thereto.

Article 8. To see if the Town will vote to petition the General Court, now in session to amend the Charter of the Peterborough Water Works, as adopted in 1895 to permit the Water Department to increase its borrowing capacity, or take any other action relating thereto.

Article 9. To see what sum of money the Town will vote to raise and appropriate for the construction and probable relocation of World War I Memorial and also to provide a memorial for World War II and Korean War Veterans, or take any other action relating thereto.

Article 10. To see what sum of money the Town will vote to raise and appropriate to place in a Capital Reserve Fund for the future purchase of equipment for the Highway Department, the Fire Department and the Police Department as recommended by the Planning Board, or take any other action relating thereto.

Article 11. To see what sum of money the Town will vote to raise and appropriate for officially naming all its public Highways and erecting proper markers for the same, or take any other action relating thereto.

Article 12. To see what sum of money the Town will vote to raise and appropriate for the widening and straightening of Pine Street from the Main Street Bridge to the Junction of Granite Street and Pine Street, or take any other action relating thereto.

Article 13. To see what sum of money the Town will vote to raise and appropriate to place in a Capital Reserve Fund for the preparation and publication of the Town History, or take any other action relating thereto.

Article 14. To see if the Town will vote to raise and appropriate the sum of Nine Hundred twenty-five dollars and ninety seven cents (\$925.97) provided the State gives six thousand one hundred seventy three dollars and fourteen cents (\$6,173.14) for the construction of Class V Highways.

Article 15. To see if the Town will vote to raise and appropriate the sum of Three Thousand four hundred dollars (\$3,400) provided the State gives the same amount for Town Road Aid Apportionment "B."

Article 16. To see if the Town will vote to construct a Highway over Goyette Drive, so called, and raise and appropriate \$1,000.00 for the same, or take any other action relating thereto.

Article 17. To see if the Town will vote to insulate the top part of the Town House and appropriate money for the same, or take any other action relating thereto.

Article 18. To see what sum of money the Town will raise and appropriate for the construction of a new sidewalk on Union Street or take any other action relating thereto.

Article 19. To see if the Town will vote to raise and appropriate the sum of two thousand dollars (\$2,000.00) to resurface Depot Street from Main St. to School St., or take any other action relating thereto.

Article 20. To see if the Town will raise and appropriate the sum of three thousand dollars (\$3,000.00) to resurface the Town Parking Lot or take any other action relating thereto.

Article 21. To see if the Town will vote to discontinue the Highway leading from Drury Stone Bridge, so called, on the Jaffrey-Peterborough Highway Route 202 to Drury Station, as laid out by the Selectmen November 13, 1909 and in the Town Records, Volume 5 page 688 or take any other action relating thereto.

Article 22. To see what sum the Town will vote to raise and appropriate for the conversion of the Main Street Watering Trough into a Fountain and for its protection from traffic, or take any other action thereto.

Article 23. To see if the Town will vote to rescind, or adopt any changes in the Parking Ordinances as approved by the Town in the Annual Town Meeting of March 9, 1947, or take any other action relating thereto.

Article 24. To see what sum of money the Town will vote to authorize the Selectmen and the Town Treasurer to borrow in anticipation of collection of Taxes for the current Municipal Year, and to issue in the name and on the credit of the Town, negotiable notes therefor, said notes to be paid in the current Municipal Year from taxes collected during the current municipal year.

Article 25. To see if the Town will authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's Deed.

Article 26. To transact any other business that may legally come before this meeting.

Given under our hands and seal this twenty-first day of February, in the year of our Lord, Nineteen Hundred fifty-three.

## REPORT OF THE BUDGET COMMITTEE, 1953

### INTRODUCTION:

It is the opinion of the Budget Committee that the town budget for the year 1953 deserves special consideration by the voters. It is apparent that the Town of Peterborough is even more than ever faced with the problem as to how much the taxpayer wishes to pay for the services which he wishes to have the town render. The town budget and school district budget show increases again this year and with the possible appropriations for new school buildings (either cooperative or other) and the town water supply the total appropriation for the year will be extremely high. The townspeople should, therefore, give serious thought as to whether or not they are prepared to assume the increased tax load for the services to be rendered.

The Budget Committee has carefully examined all matters which have been brought before it and it is their considered opinion that, as much as possible, new expenditures should be eliminated at this time and in that connection we have made the recommendations that follow.

### SCHOOL DISTRICT BUDGET

The cooperative school question is, of course, the paramount issue facing the school district this year. The Budget Committee has already expressed itself publicly as favoring the cooperative school so that no further discussion will be had in this report.

Whether or not the town enters a cooperative school district, the proposed budget of the School Board will be in effect for the school year 1953-1954. The School Board has submitted a budget of \$164,209 which is to be compared with a budget for the previous year of \$146,532. This is an increase of \$17,677 over last year. It should be noted, however, that total estimated revenue is expected to be \$34,739.69, which makes a total of \$129,469.31 to be raised by taxation or \$6,737 more than last year's figure of \$122,732.

It appears that the major contributing cause of the increase in the school budget is the anticipated increase in the number of pupils entering first grade in 1953. It is expected that there will be 90 pupils in this class, necessitating a new teacher, new equipment and new facilities in order to handle the situation properly.

The largest single increase in the budget is for teachers' salaries which is raised from \$83,000 for the previous year to \$92,530 for this year or an increase of \$9,530. This increase is due to the additional first grade teacher already mentioned, a proposed part time English teacher, increasing the pay of substitute teachers and finally an allowance of about \$4,000 for raising the salaries of present teachers. It is to be noted that this item has

Comparative Statement of Appropriations and Expenditures  
Fiscal Year Ending December 31, 1952

Title of Appropriation	Appropriations	Receipts	Total	Expenditures	Balance	Overdraft
Town Officers' Salaries, Expenses, Election & Registration	\$12,500 00	\$16 35	\$12,516 35	\$11,959 58	\$556 77

False Alarm	1	
Aiding Police Department	1	
	<hr/>	20

We have added 500 feet of new hose and one Scott Air Pack to our equipment this year, in addition to small equipment. From the Special Appropriation the new brick front and three overhead doors were installed at the Station, and a complete outside paint job.

We thank the Townspeople and Town Officers who have aided us in our projects of the past year.

Respectfully submitted,

DAVID J. ROCHFORD

Chief

### AUDITORS' REPORT

We have examined the accounts of all Town Officers, Committees and others having charge of moneys, for the year ending December 31, 1952, as required by law, and find them correctly cast and properly vouched.

ERVIN F. DIAMOND  
KENNETH B. CHANDLER  
WALTER H. O'MALLEY

February 24, 1953 Auditors of the Town of Peterborough, N. H.

**Report of the Adams Playground Committee,  
Report for 1952**

The Playground opened on June 23 with Milton Burton in charge of outdoor activities. Many games and athletic events were scheduled during the ten week period. There were also games between Jaffrey and Marlboro and the home team. Seventy-five children went to Boston to a baseball game. There was a large group at the Cathedral of the Pines and Bensons' Animal Farm and many climbed Mt. Monadnock.

The Swimming Pool was the center of activities for most of the children and was enjoyed by all except for the week it had to be closed due to the broken bottles someone put in it. Lessons were given every morning by the instructors, Donald Emmett and Ann Eneguess assisted by Eleanor Johnson and Judy Harris. Free swimming from 2 to 5 P.M. was enjoyed by all.

The chlorinating system was run by Murray Wright and Gene Tansey who were also in charge of the maintenance of the Pool and Bath House and responsible for the grounds and general care of all areas.

There was a checker in the Bath House which was a great help in keeping the clothing and equipment in order. Margaret Egan held this position.

Improvements this year were:

- Carpenter work on the Bath House.
- Painting the Bath House.
- Putting up the wire fence in back of the baseball diamond.
- Cement repair work at the Pool.

New Improvements planned for 1953:

- Calking and painting the interior of the Pool.
- Purchase of a new power mower.
- Purchase of Weed-killer for the grounds.
- New flutter boards for the Pool.
- New duck boards for the Bath House.

Respectfully submitted,  
GLORIA R. MURRAY

## Report of the Librarian of the Town Library

To the Trustees of Peterborough Town Library:

Herewith is presented the report of the librarian for the year 1952:

### TOWN LIBRARY

Number of volumes purchased during year	463
Number of volumes acquired by gifts during year	58
Number of volumes discarded during year	78
Number of volumes now in library	28,905
Number of volumes circulated during year	22,060
Number of volumes repaired during year	394
Registrations during year	174
Reading room attendance	5,538
Periodicals and newspapers bought for reading room	54
Periodicals and newspapers given to reading room	29

Appreciation is hereby expressed to the following friends of the library who have remembered it with gifts of books, magazines and flowers:

Books: Mrs. Dorothy Q. Bastille, Mr. Matthew P. Cavanaugh, Mr. James W. Clark, Division of Public Documents, Du Pont Company, Mrs. Norman J. Elmes, Estate of Mrs. A. C. Boyce, Estate of Miss Anne E. Hamilton, Mrs. Marjorie Fischer, Mr. Charles A. Fitts, Jr., Miss Esther Jackson, Mr. Carl T. Keller, Mr. Clement R. Lamson, Mrs. Arthur LeBritton, Master David Luster, Mr. and Mrs. George A. Morison, Mrs. Donald Parkhurst, Secretary of State, Union Congregational Church, Unitarian Church, Mrs. Sam Bass Warner, Miss Margaret Widdemer.

Extra magazines: Mrs. Dorothy Q. Bastille, Mrs. Ned G. Blair, Miss Dorothy Dalzell, Miss Esther Jackson, Mr. William McGreal, New Hampshire Ball Bearings, Inc., Mr. Richard A. Noyes, Mr. Silva J. Santerre, Mrs. Howard E. Thompson.

Papers: Christian Science Monitor, Keene Evening Sentinel, Peterborough Transcript.

Flowers: Mrs. Elwood A. Aldrich, Master Harlon Baird, Miss Martha E. Cutler, Mrs. William G. Hunter, Mrs. Katie Nichols, Miss Louise A. Nickerson, Miss Etta M. Smith, Mr. Fred P. Waite.

How true is this quotation from Clarence Day: "Books are the most remarkable creation of man, nothing else he builds ever lasts."

We often wonder if the citizens of Peterborough realize that they have an unusual library for a town of its size, which is open every week day, and has a large number of the new books. Compare it with other libraries in the state, outside of the large cities, and see what you find. Many people may be surprised.

Supplementary reading books are supplied for all teachers, if they wish to use them. The Central school takes advantage of this privilege, but the High school has not.

During Book Week the First and Second divisions of the First Grade came to the library where they were given book-marks and McIntosh apples, the latter being donated by Mr. George A. Morison. A story was told to the children, and the new library lights were turned on, much to their delight.

A number of new children's books was on exhibition in the Public Service window, as well as many more at the library.

Throughout the school year, the library is open one hour at noon for the bus pupils. The youngest come and go in charge of a Patrol.

At the Christmas Holidays the library was decorated, as usual, with wreaths and greens.

We wish to express our thanks, again, to the Cheney-Armstrong Unit No. 5 American Legion Auxiliary for the gift of one book a month for their Memorial Shelf.

There was a special shelf of books for both adults and children for the reading list of the Union Congregational Church, which certainly helped out our circulation. We wish to thank the church, also, for the gift of many books.

May we take this opportunity to thank all patrons of the library, the children especially, for their kindness and courtesy, at all times, to us at the library.

Respectfully submitted,  
 MARTHA E. CUTLER,  
 Librarian

## TOWN PLANNING BOARD ANNUAL REPORT

MARCH 1953

The Planning Board is continuing to function in orderly manner by giving each individual project presented to it for consideration by local Government Agencies, Departments and otherwise, impartial study so that we can base our recommendations to the Town on reasonable and sound judgment.

### Meetings

Since its organization 4 $\frac{1}{4}$  years ago the Board has held a total of 63 meetings.

A total of 43 separate projects have been considered.

### Recommendations for 1953

1. To continue the appropriation for Capital Reserve Fund to purchase equipment for the Highway, Fire and Police Departments.

2. War Memorials:

(A) To preserve World War I Memorial by re-locating it in same area and rebuilding it.

(B) To provide a World War II and Korean War Memorial to be located in the same area.

3. To provide an additional water supply as recommended to the Selectmen by the Engineering firm of Camp, Dresser and McKee.

4. To officially name all streets and highways.

5. Reconstruction of Union Street including a new sidewalk.

### Projects Under Study

1. New sewerage system in the Town Parking Lot area.

2. Widening of Pine Street from Main Street Bridge to Granite Street.

3. Further development of the swimming pool and Playground area.

4. Town Hall accoustics.

5. Additional Parking areas.

### Eliminated Projects

After due consideration and careful study of the blueprint for an underpass between the Playground and Swimming pool, it was thought that the cost of this project was excessive, and that it would not accomplish the object sought. Therefore it was agreed to eliminate this project.

### Postponed Projects

The fluorination of the Town Water system was given consideration and it was decided to postpone any recommendations at this time until the Town had acted upon an additional water supply.

### Conclusion

We recommend that \$500.00 be appropriated as a general fund for research, clerical work and other expense as may be directed by the Planning Board.

Signed: EDWARD ELLINGWOOD, Chairman  
MARTIN J. KEENAN, Secretary  
FORREST C. MERCER

ERNEST B. G. PIGGOTT  
ERLE G. BISHOP

## Report on Improvements to the Peterborough Public Water Supply

Knowing that best and purest natural water is obtained from deep in the earth the Selectmen engaged The Lyne New York Co., known as the world's largest water developers and who operate in every country in the world, to find such a source. After considerable exploratory work such a source was found on the Jaffrey Road beyond So. Peterborough adjacent to Mark Wheelers.

A well could be developed there to pump 500,000 gal. a day, water with no color, no odor, no turbidity and no bacteria. The Selectmen then engaged the services of a firm of consulting engineers, Camp, Dresser & McKee of Boston to advise us.

They found a number of things wrong with the system. That the mains have lost capacity over the years from 40 to 65% and sometime in the future will have to be cleaned to take care of the flow at the fire hydrants. That the reservoir at West Peterborough was leaking into the earth 8400 gal. per day, and was constructed at too high an elevation in relation to the rest of the system as the demands are today, and at times was empty, thus depriving West Peterborough of adequate fire protection, and that the Cheney Reservoir was leaking 2700 gal. per day.

The following are the conclusions and recommendations of the engineers.

### Conclusions and Recommendations

Our findings indicate that the present Town line Brook supply is not of satisfactory quality for drinking and other domestic uses, and we recommend that it be abandoned except for possible emergency use. Our investigation shows that the quality of Cunningham Pond water is now satisfactory and we recommend that this supply be retained to serve both the consumers along the Cunningham Pond supply main and the town system as well, through the Cheney Reservoir connection. We recommend that the Cheney connection be operated such that an average draft of about 100,000 to 125,000 gpd is taken from Cunningham Pond. During periods when Cunningham Pond is full to the overflow level this rate of draft may be increased. At rates of flow in excess of about 100,000 gpd, the Cunningham Pond supply main at the meter and chlorination building is under a vacuum and may become air-bound. We recommend that an automatic priming device consisting of a small vacuum tank and vacuum pump with proper controls be installed in the existing building to avoid this condition.

In order to replace the Town Line Brook supply with a new supply of good quality which will be adequate to meet the demands of the town in the foreseeable future, we recommend the construction of a new gravel-wall well in South Peterborough

adjacent to Wheelers' Ice Cream Plant. This well will be approximately 70 ft. in depth below the existing ground surface and will include a multi-stage turbine pump with capacity of about 430,000 gpd, driven by a 40 h.p. electric motor. A right angle gear drive will be provided for the possible future installation of a standby gasoline engine. The pumping station will be of brick construction on a concrete substructure and will house the pump and motor, a Venturi meter and register, electrical equipment, heater and alkali feeder for corrosion control. An 8-in. cement-lined cast iron force main approximately 3100 ft. long will be laid from the new pumping station to connect with the existing 8-in. main near Noone's Mill. Operation of the pump will be controlled automatically from the water level in Cheney Reservoir by means of an electrical transmitter located at the reservoir which will send its signals over a leased telephone wire to the pumping station. The pump will cut-off slightly below the overflow level of the reservoir, and will start when the reservoir is drawn down to some fixed level, probably 2 or 3 ft. below the overflow level. It will be necessary to remove the existing check valve in the 12-in main connecting to the reservoir. A recording register showing a continuous record of the water level in Cheney Reservoir, operated from the leased telephone line, will be located in the selectmen's office.

Our investigation reveals that both the West Peterborough and the Cheney Reservoir should be replaced. The West Peterborough Reservoir is the more critical of the two and should be replaced immediately along with the other proposed improvements to the supply.

We recommend the construction of a new welded steel storage tank of 250,000 gallon capacity to replace the existing distribution reservoir at West Peterborough. The storage tank will have a diameter of about 46 ft. and a side-wall height of about 20 ft. It will be constructed adjacent to the present open reservoir, but will be 15 to 20 ft. lower in elevation. The supply pipe to the tank will be equipped with an altitude valve in an underground concrete vault. The altitude valve will remain open to permit flow into or out of the storage tank, so long as the storage tank is not full. As the water level in the tank approaches the overflow level, the altitude valve closes automatically and thus prevents overflow.

We recommend the replacement of the open Cheney Reservoir with a 600,000 gallon welded steel storage tank. The tank will have a diameter of about 60 ft. and a sidewall height of about 29 ft. No altitude valve will be required for this tank as the water level will be controlled by pumping.

The estimated cost of construction of the improvements recommended for the initial program is \$92,000 which includes an allowance for contingencies and engineering of 20%. The estimated cost of the proposed initial program is presented in de-

tail in Table 4. The estimated cost of construction of the proposed future 600,000 gallon storage tank to replace the Cheney Reservoir is \$41,500 which includes the complete installation, including foundation, piping, erection and painting.

The estimated cost of operation of the proposed improvements, over and above the present cost of operation, is about \$2,300 per year. The estimated power cost for pumping is conservative, being based on an average consumption of 280,000 gpd, with only about 100,000 gpd being drawn regularly from the Cunningham Pond supply. If Cunningham Pond is operated so as to utilize the surplus water during the wet periods of the year, the pumping costs can be greatly reduced. It should be possible at times to take the entire supply from Cunningham Pond without any pumping from the new well.

We recommend that the proposed improvements be financed by means of 20-year serial bonds. At the present market, the interest rate may be taken at about 2%. The annual cost, based on an interest rate of 2%, would be about \$9,600 at the end of the first year and about \$6,120 at the end of the twentieth year. It appears that this capital expenditure and the increased operating costs can be financed from the receipts of the water department.

Selectmen of Peterborough

## REPORT OF THE BUDGET COMMITTEE, 1953

Continued from page 13

increased 50% since 1950 as at that time the amount budgeted for this purpose was \$62,000.

The Budget Committee feels that a previous recommendation of the committee to investigate the advisability of the school district owning its own buses can well bear repeating. The transportation contract comes up again this year for bids and it is felt that some saving in this connection could be made by the school district ownership of the buses.

The Budget Committee has no further recommendations to make relative to the School Budget. It feels that the School Board has asked for increases only after careful scrutiny of the facts and only when necessity has compelled such action. The Budget Committee therefore feels that the budget as proposed by the School Board should be accepted.

### TOWN BUDGET

The Budget Committee is in general in agreement with the proposed budget for the year 1953 and for that reason only items

which the committee feels should be changed will be mentioned in this report.

**Police Department.** A total requested appropriation of \$9,800 is asked by this department. It is felt by the committee that this appropriation should be raised to \$10,500 to provide for raises for Chief Picard and Officer Jackson, and for traffic and stop signs.

**Highway Department.** Most of the items in the requested appropriation for this department show an increase over the previous year. It is felt that these increases are necessary due to the increased road mileage for which the town is now responsible. It is recommended, however, that the item of \$2,500 requested for the Emergency Fund be cut to \$1,000. It is to be noted that in the previous year less than \$50 was drawn from this fund. It is the opinion of the committee that \$2,500 is too high.

**Capital Reserve Fund.** The Budget Committee approves of this appropriation, but recommends that no additional funds be appropriated for this purpose, but that this money be transferred from the surplus funds of the town to the Capital Reserve Fund.

**Cemeteries.** The cemetery trustees have requested an additional \$500 over the last year's appropriation of \$2,500. It is understood that this amount is to increase the wages of the cemetery employees. It is felt that this amount is not necessary and that an appropriation of \$2,500 is sufficient.

### **Special Projects:**

**Insulation of Town Hall.** The Budget Committee does not feel that the cost of insulating the Town Hall is warranted at this time and does not recommend passing of this article at this time.

**Sidewalk on Upper Union Street.** The Budget Committee favors this as it is felt that it is necessary for public safety.

**Parking Lot.** The Budget Committee recommends that the entire question of the Parking Lot be referred to the Planning Board for study and recommendations for the next annual meeting of the town.

The Budget Committee approved the following **special projects**: Resurfacing Depot Street; Construction of Highway over Goyette Drive, War Memorial.

**Town History.** The Budget Committee recognizes that the town is committed to the preparation and publication of a Town History and the Town History Committee has requested an appropriation of \$10,000 this year to apply against the cost of publication for this purpose, but the Budget Committee recommends that, in view of the other unusually heavy expenses to

be considered this year, this appropriation should be reduced to \$7,500.

**Town Water.** The very full report of the engineer pertaining to "town water," its problems and solutions, poses a real problem for the Peterborough taxpayer. The need of a reliable source of good water seems to resolve itself to gravel well sources. This, it would seem, would be the eventual sole source of our future water supply. Recognizing that the engineers at the present time are willing to recommend the use of Cunningham Pond as an additional supply, the fact still remains that over a period of years this source has been unsatisfactory both from the point of view of pollution and sufficient supply.

Actually, there is but one thing to be decided. Is Peterborough financially able at this time, in view of present commitments and possible school indebtedness, to pay out of future tax dollars for this new water supply and system?

Upon analyzing the income of the Water Department, it is necessary to point out that approximately one-third of the total income is from taxation on property. The explanation for this is due to the bookkeeping charges, for hydrants and public property and buildings which means that this sum is actually levied upon taxable properties.

The installation of the new water supply means that our present reserve fund would be immediately and completely exhausted and the town bonded, leaving little money for possible unforeseen expenditures in the operation of the water system.

In spite of the financial problems involved in the proposed alterations to the water supply, the Budget Committee recommends that the town adopt the recommendations submitted by the Selectmen at a total cost of approximately \$132,000.

## **B. Administrative Policy**

Because of the many problems arising from the long noon period at the High School, the plan was adopted this year of having a continuing session for Grades 7 through 12, running from 8:30 to 2:40 with twenty minutes for each of three groups for lunch.

In order to find a better answer than the common practice of admitting children to school in September if they will be six years old by the following December, your Superintendent asked three local people to constitute a committee to study the problem with him, Dr. Margaret Reynolds of Peterborough, Mrs. Elizabeth Gunther of Hancock, and Dr. Richard Eusti of Boston and Harrisville accepted the invitation. Dr. Reynolds is well known for her marvelous work with children as a pediatrician. Mrs. Gunther has had highly successful experience working with children with special learning problems, particularly in the field of reading. She is skilled in discovering each child's learning potentialities. Dr. Eustis has had years of experience as a pediatrician, and is head of the Speech Clinic of the Children's Hospital in Boston. Few communities in the United States, regardless of size, could find people of greater competence for the problem being attacked. The committee agreed unanimously to study a few children whose parents felt they would profit from early admission to school. The Peterborough School Board, as well as the School Boards of the other districts in this Supervisory Union, voted unanimously to admit any child to school on the recommendation of the Superintendent, supported by the recommendation of the Committee.

The parents of five Peterborough children applied for permission for their children to enter school in September 1952, even though they would not reach the age of six by December. The committee studied the five children and agreed that four would profit by entering school in September, which they were permitted to do. All are adapting themselves well to the school experiences. It is hoped that the committee will be willing to make further studies of the problem.

## **C. No-School Signal**

In case of emergency when it seems inadvisable to have schools in session on any day, the No-School Signal will be given by sounding the signal 22 on the fire alarm system at 7:30 A.M., and by having it announced over radio station WKNE at the same time approximately. When the No-School Signal is given, it means that there will be no school all day.

**D. Cooperative School District**  
**DEPARTMENT OF EDUCATION**  
**STATE OF NEW HAMPSHIRE**

State House, Concord  
 December 5, 1952

IN THE MATTER  
 OF  
 LAYING OUT A COOPERATIVE SCHOOL DISTRICT  
 IN THE TOWN OF PETERBOROUGH

As a result of the vote taken by the Francestown, Greenfield, Hancock, Jaffrey, Peterborough, Sharon and Temple School Districts, and pursuant to the provisions of Chapter 213 of the Laws of 1951, the area comprising the School Districts of Francestown, Greenfield, Hancock, Jaffrey, Peterborough, Sharon and Temple is hereby laid out as a secondary cooperative school district, grades seven through twelve, and is designated as Cooperative School District No. 2 of New Hampshire.

Your district is now authorized to proceed to step No. 2 in the process of organizing a cooperative school district, namely, voting approval of the Cooperative School District No. 2 as laid out by the order of the State Board of Education.

For the State Board of Education  
 December 5, 1952

HILTON C. BULEY  
 Commissioner of Education

**E. School Calendar**

June 18	Schools close 12:15 (one session) unless time lost.

**Note:** 5 school days allowed for workshop.

2 school days allowed for teachers' convention.

The regulation of the State Board of Education requires 180 school days including workshop and Teachers' Convention.

### F. Report of District Clerk

At a meeting of the inhabitants of the School District of Peterborough qualified to vote in District Affairs, holden at the Town House in said District on Tuesday, the 11th day of March, 1952 at 8:30 A.M. o'clock. The meeting was called to order by the Clerk, Helen A. Keenan, who called for the nomination and election of a Moderator pro tem. Henry Franklin was nominated and elected, and after being sworn by the Town Clerk, Algie A. Holt, he assumed the office of Moderator, and proceeded with the business as follows:

It was voted upon motion of Earl Shultz, that the polls for balloting under Articles 1-4 inclusive be closed at 1:00 o'clock in the afternoon.

At 1:00 o'clock in the afternoon, the Moderator read the Warrant, and under Article 5, the following motions presented by the Chairman of the School Board, Mr. Marshall Wilder, passed without discussion:

1. Moved that the salary of each School Board Member be \$50.00 for the ensuing year.
2. Moved that the salary of the District Treasurer be \$75.00 for the ensuing year.
3. Moved that the salary of the Moderator be \$10.00 for the ensuing year.
4. Moved that the salary of the School District Clerk be \$10.00 for the ensuing year.
5. Moved that the salary of the Ballot Clerk be \$5.00 for the ensuing year.

Under Article 6, it was voted that the reports of the Treasurer and Clerk be accepted as recorded in the Town Report. The Chairman of the Consolidated School Committee, Mr. Earl Shultz, read the following report of the Committee, which was accepted:

## Report for the Committee on the Study of a Co-operative School

At the Annual Meeting of the District in 1951, the following motion was moved and voted in the affirmative: That it is the sense of this meeting that the ultimate solution of our School problems rests in the formation of a Co-Operative School District with our neighboring School Districts. To this end the the School Board and the Superintendent are instructed to study and develop a Co-Operative School District Proposal in conjunction with our neighboring School Districts, and if practical, to report the same at our next Annual, or at any Special School District Meeting.

Prior to the 1951 Annual School District Meeting, on March 2nd, the Peterborough Board invited to a meeting the School Board Members of the Districts sending tuition pupils to the Peterborough Schools. At this time future problems concerning our educational facilities were discussed. It was pointed out that in approximately three years our School Plant would not be able to take care of all the tuition students. The Board members from the other Towns were interested in further discussion.

On March 30th another meeting was called by the School Board members. The Towns included in the invitation to the meeting were Bennington, Frankestown, Sharon, Dublin, Greenfield, Hancock, and Temple. At this meeting, it was decided to make a study of the Co-Operative School Plan, and an organization was perfected. It was decided to set up a Committee from each Town represented by one school board member and one layman. Earl N. Shultz was elected chairman of the Committee, and Mrs. Malcolm Atherton of Greenfield as Secretary. Dr. Forrest F. Tenney and Earl N. Shultz were elected as Representatives from Peterborough. The committee set up to study various phases included the following: Finance, Curriculum, Legislation, Public Opinion, Census, Building Plans and Transportation. Other meetings were held on April 27th, May 25th, June 29th, July 27th, September 28th, October 26th, December 16th and February 15th.

At these meetings the Committees started their work with a discussion of surveys which could be made, and two meetings were spent on the discussion of the present Enabling Act. At one of these meetings, Mrs. Atwood, Chairman of the House Committee on Education, led the discussion. At another meeting, H. C. Buley, Commissioner of Education, explained the set-up under the Enabling Act. These discussions brought out obstacles from the standpoint of organization and financing. It was the opinion of the Committee that it would be impossible to organize a Co-Operative School under this present Act. We requested Commissioner Buley and his staff to survey our high school building as to its possible use in the Co-Operative School

set-up. The recommendations were presented on February 7th, which were that the building could be used best as an elementary school building.

The February 15th meeting was attended by two members of the Monadnock Co-Operative School Study Committee. Both Committees had similar ideas concerning changes in the Enabling Act. Plans were made to work together on this problem with hopes for changes in the next session of the Legislature.

It might appear that little was accomplished; however, we are learning to work together, and we have found in our studies that there are advantages in co-operative schools. The motivating need seems to be State or Federal aid for financial assistance in the construction of School Plants. The School Districts represented on the Committee are all faced with serious housing problems. Peterborough's situation is becoming acute. By 1953 there will be need for six more rooms to take care of the increase in the elementary grades, and to move the sixth grade from the High School building.

We are not asking for any financial appropriations at this meeting. We do recommend that the study be continued. We can work with these other school districts on a workable enabling Act and we can be ready if developments come to pass which would make a Co-Operative School a possibility.

EARL N. SHULTZ  
ELINOR C. BLODGETT  
MARSHALL P. WILDER

No action was taken under Article 7.

Under Article 8, the following motion was presented by the School Board:

Moved: That the School District raise and appropriate the sum of \$145,532.00 for the support of the Schools, for the salaries of the School District Officers and agents, and for the payment of the statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from the State Equalization fund, together with other income: The School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the Town.

Marshall P. Wilder, Chairman of the Board, explained the various articles in the budget, and certain changes appearing, as compared with last year, and the reason for the change. After this explanation, there was no further discussion, and the motion was passed.

Under Article 9, the following motion presented by the School Board was passed without discussion:

Moved: That the sum of \$1,000.00 be raised and appropriated for the purchase of new equipment.

Mrs. Elinor Blodgett explained what articles the School Board were planning to acquire with the money.

Article 10. Moved: That the School District appropriate the sum of \$1,000.00 of the accrued and current income of the Nichols Fund for General School Purposes.

The polls closed at 1:00 P.M., and the Moderator declared a recess until after the ballots were counted. Record of the ballot was as follows:

Moderator—Henry Franklin, 836 votes

Clerk—Helen Keenan, 844 votes

Treasurer—Robert Derby, 845 votes

Member of the School Board—H. LeGro Lane, 814 votes

There were 19 blank ballots, and a scattering of nine votes.

The above officers were declared elected, and the meeting was adjourned at 2:55 P.M.

Respectfully submitted,

HELEN A. KEENAN, Clerk

A true copy of record—Attest:

HELEN KEENAN, Clerk

---

### School District Clerk's Report of Special School District Meeting

At a Special Meeting of the Peterborough School District held on September 29, 1952, the following Resolution was passed unanimously:

“RESOLVED, That the Peterborough School District is interested in becoming a member of a proposed cooperative school district, organized to provide efficiently secondary education, grades 7 through 12, for the youth of an effective combination of school districts located in the Contoocook Valley-Monadnock Regions.”

S/ HELEN A. KEENAN

School District Clerk

# SCHOOL WARRANT

To the Inhabitants of the School District in the Town of Peterborough qualified to vote in district affairs:

You are hereby notified to meet at the Town House in said district on the 2nd day of March, 1953 at 8 P. M. to act upon the following subject:

To see if the district will vote to become a member of Co-operative High School District No. 2, grades 7 through 12, as laid out by the State Board of Education, comprising the school districts of Francestown, Greenfield, Hancock, Jaffrey, Peterborough, Sharon and Temple, and take any necessary action relating thereto.

Given under our hands at said Peterborough this 12th day of February, 1953.

EARL N. SHULTZ

ELINOR C. BLODGETT

H. LEGRO LANE

School Board

# SCHOOL WARRANT

To the Inhabitants of the School District in the Town of Peterborough qualified to vote in district affairs:

You are hereby notified to meet at the Town House in said district on the 10th day of March, 1953 at 8:30 o'clock in the forenoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the district will vote to raise and appropriate the sum of \$2,728 for the purchase of new equipment.
10. To see if the district will vote to appropriate the sum of \$1,000 of the accrued and current income of the Nichols Fund for general school purposes.
11. To see what action the district will take in the selection of a suitable site for a new school building, and authorize the acquisition of any real property for the location of such building.
12. To see if the district will vote to build and equip a new school.
13. To see what sum the district will vote to raise and appro-

priate for the construction, equipment and furnishing of such new school and the acquisition of any real property that may be necessary for its location; and whether the district will vote to raise such sum through the issuance of serial notes or bonds upon the credit of the district for all or any portion of the sum so raised and appropriated; and to authorize the school board to determine the terms and conditions upon which the notes or bonds shall be issued, including their sale and the time and place of payment of principal and interest, in accordance with the provisions of the Municipal Bonds Statute, N. H. Revised Laws, Chapter 72, and any amendments thereto.

14. To see if the district will vote to appoint a building committee consisting of three persons, to be appointed by the moderator, to advise with the school board in selecting a location for the new school and to supervise the construction of said building, providing that the plans and specifications and the selection of a site for the new school shall finally be approved by the school board acting alone as required by law, and to further authorize the school board to execute any and all contracts or agreements necessary in connection with the construction and equipping of said school.

Given under our hands at said Peterborough this 16th day of February 1953.

Total Grades 1-5 (Central School)					250
Total Grades 6-12 (High School)					319
Total					569

Two teachers left during the school year: Arthur Coogan, Supervisor of Music; and Joyce Saunders, Grade 6. Mrs. Evelyn Nute of Jaffrey consented to take charge of the music for the remainder of the year, and Barbara Fontaine replaced Miss Saunders.

During the school year seven teachers—Mrs. Carll, Mrs. Crittsinger, Mrs. Dutton, Mrs. Fitzgerald, Miss Flagg, Mrs. Morris, and Mrs. Peirce—completed Keene Teachers College extension courses. During the summer of 1952 four teachers sought professional improvement by attending summer school: Mrs. Craig and Mr. Snow completed courses at Boston University; Mr. McAdam, at the University of New Hampshire; and Miss Thomas, at Bridgewater Teachers College. These teachers are to be commended for striving to improve their teaching methods for the benefit of the boys and girls in their classes.

### B. Program and Methods

No startling changes have been made in the program of studies nor in the methods of instruction since the last report. One course, Driver Education, has been added at the High School, and is providing much-needed instruction. Continuing effort is being made in the schools, both high and elementary, to give pupils desirable and worthwhile experiences in assuming an increasing measure of responsibility for the direction of their own activities. There is no way of training people for the responsibilities of the democratic way of life except through guided experiences. Democracy depends for its success upon the way people act, not upon the facts about democracy they can parrot. The conduct of an individual becomes acceptable to the group when the individual has learned from experience how the group responds toward him in his ever-varying pattern of action and reaction. The amount of responsibility an individual assumes for his own conduct determines his maturity. If a person allows another to carry a large part of that responsibility, he is immature. If he carries it himself, he is mature. Peter-

borough pupils are being given repeated opportunities in assuming more and more responsibility for their own conduct, thereby being helped to attain normal maturity and a wholesome life.

### PART III. SCHOOL PLANT

During the past summer at the High School new lights were put into three classrooms; several rooms were painted; twenty-five new desks and chairs were installed to replace worn-out equipment; six tables were added in the lunchroom to give it greater seating capacity; and the floor in the old shop, now converted into a classroom, was covered with plastic tile. At the Central School twenty additional desks and chairs were added after the opening of school in September because of an unexpected increase in the enrollment in that building.

Last year mention was made of the pressing need for additional space to care for the constantly increasing numbers of pupils. This is the greatest problem to face Peterborough citizens for many years. As study continues to show up the facts involved, it is becoming increasingly evident that the best solution would come from the full co-operation of all districts in the area, as in this way only can the full resources of the area be brought to bear on the problem.

### PART IV. FINANCE

## Authorization to Issue Bonds

None

---

### Certificates

I certify that the above is a correct statement of the obligations authorized, and the amounts to be assessed to meet statutory requirements and appropriations made at the annual meeting of the Peterborough school district held March 11, 1952.

S/ HELEN A. KEENAN

May 26, 1952

Clerk of the School District

---

### TO THE STATE BOARD OF EDUCATION:

I certify that the above is a correct statement of the financial proceedings of the district for the school year 1952-53, and that copies of this statement have been filed with the chairman of the board of selectmen and entered in the records of the school board in accordance with N. H. Laws of 1951, Chapter 37, Section 2.

S/ EARL N. SHULTZ

May 16, 1952

Chairman of the School Board

## PART V. CHILD ACCOUNTING AND STATISTICS

### A. Promotion to High School

The following thirty-five pupils, as compared with thirty-four for 1951 and thirty-one for 1950, were promoted to High School in June, 1952:

William Bailey, Albert Blanchette, Donald Blanchette, Lorraine Blanchette, Bruce Brenner, Ronald Bunce, Donald Burke, Janice Dolan, Elaine Florre, Jean Guinard, Lillian Guptill, Anne Hill, Elliott Huckins, Elizabeth Johnson, Ronald LaBier, Rose Lussier, Brian McDonald, June Mecham, Jere Morris, Frederick Muncil, Lillie Naglie, Danlee Paquet, Betty Pierce, Roger Reynolds, Nancy Rodger, George Russell, Joyce Russell, Raymond Russell, Jean Simonetta, Joan Simonetta, Charles Smith, Constance Taft, Martha Tenney, David Wilder, Lois Yelland.

It is significant to note that as of September all of these pupils were continuing their education.

### B. High School Graduates, June 1952

Forty-one students as compared with thirty-nine for 1951

and forty-one for 1950, were graduated from Peterborough High School in June 1952:

Patricia Aytoun, Patricia Bailey, Wilfred Brassard, Mary Ellen Bunce, Richard Buxton, Sally Ann Crowell, Russell Dodge, Nancy Eaves, John Harris, Judith Harris, Dorothy Hurlbut, Carl Ingelstrom, Kathleen Jenne, John Johns, Thomas Lawrence, Sally LeBlanc, Elizabeth Lehto, Lillian Lowe, Marion Luopa, Norman Makechnie, Joan Marquette, Marianne Marshall, Richard Metivier, Sally Ann Murphy, Suzanne Murray, Jean Myhaver, Phyllis Myhaver, Shirley Nye, Richard Odell, Jr., Shirley Parker, Jean Plimpton, Ruth Putney, Mary Jane Ryan, Jane Reynolds, Marjorie Simonetta, John Snow, Cynthia Sumner, Elizabeth Wenblad, Janet Wheeler, Janet Wyman, Josephine Zanga.

What do Peterborough High School graduates do on graduating? These forty-one have done as follows:

11 (28%) entered college.

9 (22%) started specialized training in post-secondary institutions other than colleges.

3 (8%) joined the Armed Forces.

8 (20%) found employment in clerical positions.

4 (8%) entered matrimony.

6 (14%) miscellaneous employment.

### C. Statistics for the Year Ending June 30, 1952

	High	Elem.	Total
Number of Pupils Registered	197	355	552
Average number of days schools were in session	173	173	173
Average membership	182.88	336.32	519.2
Average attendance	172.33	303.49	475.82
Aggregate number of $\frac{1}{2}$ days all pupils were in school	59,627	105,006	164,633
Per cent of attendance	94.23	90.23	91.65
Average number of days each pupil was in school	163	156	158.5
Non-resident pupils (tuition)	76	22	98
Pupils transported at district expense	47	192	239

These figures are not significantly different from those for the previous year. There was a slight drop in total membership from 530 to 519.

**D. School Census as of September 1, 1952**

Less than 1 year	47
1	48
2	35
3	43
4	47
5	64
6	50
7	26
8	39
9	41
10	45
11	46

PETERBOROUGH HYMN  
A. D. 1620

God our Father!  
    Glory Lord, to Thee!  
Before whose voice  
    Is mute the thund'ring sea!  
Through wind and foam  
    Thou lead'st us home—  
To Thee be glory through eternity.

Lord, hunger and cold are nigh!  
Lord, not for ourselves we cry—  
Let not our children die!  
Silence your loud alarms  
God is our shield from harms—  
He will make strong our arms.  
Christ, who hath calmed the wave,  
Christ will uphold the brave.  
Christ, our Saviour!  
    Father of our Faith!  
To Thee we bring faint hearts and failing breath,  
    Be Thou our Guide!  
    With Thee we bide,  
To love, to labor, and to hope till death!

EDWARD MACDOWELL
